Seshadripuram Educational Trust

Seshadripuram Educational Trust (SET), the pioneering Educational Trust of Karnataka was established in 1930 by two lady educational enthusiasts, Smt. Anandamma and Smt. Seethamma. In the course of its sustained growth spanning eight decades, it has established itself as one of the foremost educational organizations in the state. SET has grown as a global conglomerate of premier educational institutions and as a symbol of emergent free India, catering to a total student population of over 22,000. The trust employs more than 1200 employees and provides education ranging from pre-school to post graduation, research and foreign collaboration in 33 institutions spread across Karnataka.

NAAC Accredited 'B' Grade

SABS was established in the year 2005 by Seshadripuram Educational Trust which is a public charitable Trust. The Trust believes that individual from each stratum of society needs affordable, relevant and quality education to fulfill their personal aspirations. With the impetus to provide a quality and affordable education to all, Seshadripuram Academy of Business Studies at Kengeri endeavors to contribute educated and virtuous citizens to the society. Over the years, we have accomplished this through the committed efforts of our Management, Staff, Students and Parents.

MOTO ⌚ Dedicated to Excel

VISION

To impart that education that would empower every individual to grow as a nation builder in all domains of life.

MISSION

To inculcate humanitarian values, build professional prudence, inquisitiveness and create a drive for learning through essential motivation.

GOAL

To dawn as an acclaimed educational bastion that will uphold the society.

Why SABS Key Features of SABS

- ✓ Excellent Infrastructure with Elevator Facility
- ✓ Results above 80% in Bangalore University Semester Exams.
- ✓ Placements in Reputed Organizations.
- ✓ Qualified, Experienced and Committed Faculty.
- ✓ Wi-Fi Enabled Campus.
- ✓ Well Stacked Library with E-Library Facility.
- ✓ Guest Lectures and Workshops by Industry Experts.
- ✓ Students Safety Insurance Coverage for all Students.
- ✓ Periodic Parent Teachers Interaction.
- ✓ Mentoring/Counseling Sessions for Students.
- ✓ YOGA and MEDITATION Classes.
- ✓ Alumni Meet.
- ✓ Industrial Visits.
- ✓ Convenient Public Transport Facilities.
- ✓ National Level Conferences, Seminars and Workshops are conducted.
- ✓ Inter-Collegiate Cultural, IT And Management Fest.
- ✓ Technology oriented courses for BCA Students
- ✓ Virtual Classroom Facilities
- ✓ Value Added Courses
- ✓ Career Counselling and Placements
- ✓ Business lab
- ✓ Competitive Exams
- ✓ Add - On Courses
- ✓ Grievance Cell
- ✓ Health Center

PRINCIPAL'S DESK

93
Years of
ACADEMIC EXCELLENCE

I am happy to assert that, stepping into its eighteenth successful year, Seshadripuram Academy of Business Studies has become one of the most acclaimed educational institutions in the vicinity. I acknowledge the selfless efforts of every individual who has supported us on our path of achievement towards success. With its keen emphasis on curricular and extra-curricular activities, the institution under the umbrella of Seshadripuram Educational Trust has created a niche for itself. The staff and students have preserved this bastion for us to enjoy its accolades today.

We, at Seshadripuram Academy of Business Studies, provide students with life experiences, skills, social value knowledge and holistic personality development through the proximity of faculty members during working hours as well as extended hours via online and offline modes.

Our students **Ms. Netravati G.R.** of the **BCA Department** has secured the **9th rank in the Bangalore University examinations**. **Ms. Bhumika L** of the **BBA Department** has secured the **6th rank in the Bangalore University examinations**. Our B.Com students, **Apoorva N, Priyanka V, and Tejas L**, have secured **Gold Medals in the Bangalore University examinations** and have carved a niche for our institution among the 280 colleges affiliated to Bangalore University. They have brought laurels to the institution and have made us proud. This also stands in evidence of the efforts of the staff of our college to bring out the best in every student.

Our institution has obtained a 'B' Grade in the First Cycle by the National Assessment and Accreditation Council. As a responsible Higher Educational Institution, SABS is all set to apply for NAAC accreditation for the second time. The college offers B.Com, BBA, and BCA courses and also add on courses like CA/CPT Foundation, Aviation, Tally, and SAP, along with other courses at affordable costs for the all-round development of our students.

Our institution is multicultural and multi-ethnic, fostering a vibrant and inclusive learning environment. We aim to motivate students to realise their potential by organising activities and events to enrich their knowledge. Laying equal emphasis on curricular and extra-curricular activities, the meticulously planned calendar of events is executed to provide various platforms for the students to exhibit their talents and also strengthen their skills. While strengthening the students academically, we also intend to make them socially responsible. Under the motto "Service to Mankind is Service to God," the institution has ASMITHE, a

Community Oriented Forum, and our NSS volunteers participate in various activities for serving the society. Civil defence volunteers are getting free training for emergency services such as Rescue Operations, Fire Fighting, law enforcement, Medical Care, Public works repair and assisting in recovery operations. On a voluntary basis, we train students to protect citizens during emergency conditions such as military attacks and national disasters.

Civil Defence volunteers and NSS volunteers have represented our college at State Level RD Parade continuously for the past 2 years. NCC main motto is "Unity and Discipline". It is aimed in developing character, comradeship, discipline and a secular outlook, the spirit of adventure and ideals of selfless service amongst young citizens. Our staff and students have also visited various schools and orphanages and done their best to extend community service. Our students have brought laurels in academics, co-curricular, sports and extra-curricular activities making a premier institution.

SABS has always been a hub of innovative activity and faculty members with the leadership of Principal collaborate with the industry as well as academics. They are continuously on the lookout of opportunities to add to the body of knowledge in their chosen field with the unbeaten record of achievements in academics, sports and arts, today SABS has become a place where students realize their potential and faculty advance knowledge. SABS is the forerunner of holistic education envisioning the transformation of students into professionals.

Each student takes part in society as a responsible citizen, dynamic professional and empathetic human. We are providing opportunity for young dynamic individuals to contribute to enhancing skill development and promote economic development.

As quoted by our late President APJ Abdul Kalam "**Confidence and Hard Work is the best medicine to kill the disease called failure. It will make you a successful person.**" The institution is doing its every bit to live by its motto "**Dedicate to Excel**" and focusing on the holistic development of every student to contribute socially responsible citizens. My heartfelt thanks goes to the SET and all our stake holders without whose support we could not have pursued this noble endeavour. I hope you continue your extended support in the days to come.

National Cadet Corps gives a preface to the Defence Life. NCC is a biggest Voluntary Youth Organization in India which aims at uplifting Unity and Discipline along with preparing cadets physically and mentally to provide selfless service towards our nation. The cadets are given basic military training in small arms and parades.

Campus Recruitment

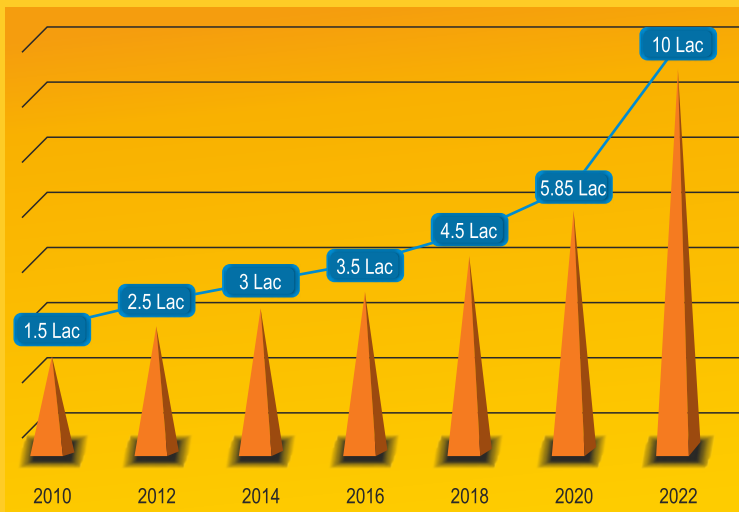

Top Recruiters

Students are placed in Reputed Companies

At SET we understand and value the importance of placement assistance in shaping the career of our students. An independent, self-sufficient Placement and Training cell is functional in the Institute. Our placement cell has been deeply dedicated to provide opportunities for companies to find the right talent among students for their specific needs. We at SABS have a diverse student community, where we promote a wide variety of academic courses by enriching their frontier aspects, thereby enhancing the overall development of individuals. It is our vision to establish a scenario for the smooth transition of students from academic to professional lives.

FEEDBACK from Students

Chethana J Murthy

III Year BCA

I'm glad to say that my overall experience to this date with my college has been amazing. The college's infrastructure is very good and the fee structure is reasonable. NCC and various committees have shaped me very well. I'm very proud to say that I was the First Female Senior Under Officer at our college (NCC). The co-curricular activities and committees allowed me to form a skill set fit for the corporate world. When some colleges focus more on academics, our college maintains a good balance of academics and co-curricular activities. I received constant support from all my teachers.

Yamini

II Year B.Com

I am glad to provide my feedback about the college. My overall experience till date has been amazing, and the college has a well-equipped infrastructure and well-experienced faculty. The college provides many opportunities for students to grow and explore. We have a positive and healthy study environment. Lecturers are highly supportive. I also get the opportunity to participate in various national and state level programmes such as National Integration Camp, 7 Days Village Camp, Motivational Lamps, value-oriented self-development camps, adventure camps, and workshops. The emphasis on sports along with extracurricular activities always helps us a lot. Our college has various kinds of committees, which provide more opportunities to explore students' talents. I feel proud to be a volunteer for NSS. NSS is an opportunity to meet people from different walks of life.

Pooja Nair

III Year BBA

My overall experience till date has been awe-inspiring and confounding. Our college has a bewildering infrastructure and has provided great opportunities to grow and explore my skills. The main emphasis on quality education and, along with that, curricular and extra-curricular activities, has always helped me a lot to bring out the innovation within. I have always found a positive and healthy environment on our college campus, and the teachers are so supportive and take time to check on each and every student. Our college has amazing campus placements that provide a great and bright future, so, comprehensively, my experience at SABS has been ravishing and innovating.

Sakshi S Kamath

I Year BCA

SABS is the best college I have ever seen. It provides us with a number of opportunities to grow and explore our skills. This year, as NEP is implemented, it encourages us to take up multidisciplinary subjects and also to access digital aspects of learning. It not only improves our knowledge but also makes us mentally and physically fit through yoga, health and wellness classes. In our college, I have always found a positive and healthy environment with highly supportive teachers. Many webinars and seminars were held at our college to gain more information and knowledge. We are also very good at sports and have represented our college in many national and state meets. We have NCC, NSS, and Civil Defence forces. As I am an NCC cadet, it helped me to improve my overall personality by gaining self-confidence, social service, honesty, discipline and most importantly, responsibility towards my country, to be a responsible citizen. I am highly thankful to the college for providing me with an opportunity to be a part of the college. It has added a number of values to my life.

Sumukh H S

I Year B.Com

This college stands out because of its good infrastructure and highly qualified lecturers who give their best to teach us and train us in all aspects possible. We have the best classrooms and well-equipped labs. The college encourages us with all kinds of cultural and sports activities by conducting many inter and intra-college competitions, conducting the annual sports and cultural meet and by completely encouraging us in university, state and national level sports. As an NCC cadet, it changed me patriotically, personally, and professionally. We were given the best training as NCC cadets. We were even given many opportunities to serve the people, among which one included our participation in the blood donation camps. Overall, I would like to say that I had been through a wonderful experience at this college, where I was totally satisfied with my growth as an individual, which gave me confidence in leading my life and career in a better and more positive manner.
