MISSION STATEMENT

BELIEF

Seshadripuram Educational Trust, believes that every individual from each stratum of society needs affordable, relevant and quality education to fulfil personal aspirations.

VISION

To constantly strive towards meeting this social need by inclusion and expansion of newer streams of education in its institutions and provide world class infrastructure for learning, research and application of knowledge.

MISSION

To excel in all its activities to create an atmosphere of effective learning, generate a spirit of enquiry, induce healthy challenges and competitiveness, encourage sustainable accomplishments and ensure enriching rewards to everyone - students, teachers, trustees, members, associates and the society at large.

GOAL

To emerge as a global conglomerate of premier academic institutions, each taking pride in having nurtured knowledge that will lead to happiness, peace, harmony and prosperity.

Seshadripuram Academy of Business Studies

VISION

To impart that education that would empower every individual to grow as a nation builder in all domains of life.

MISSION

To inculcate humanitarian values, build professional prudence, inquisitiveness and create a drive for learning through essential motivation.

GOAL

To dawn as an acclaimed educational bastion that will uphold the society.

MOTTO

Dedicated to Excel.

Welcome To

SESHADRIPURAM ACADEMY OF BUSINESS STUDIES

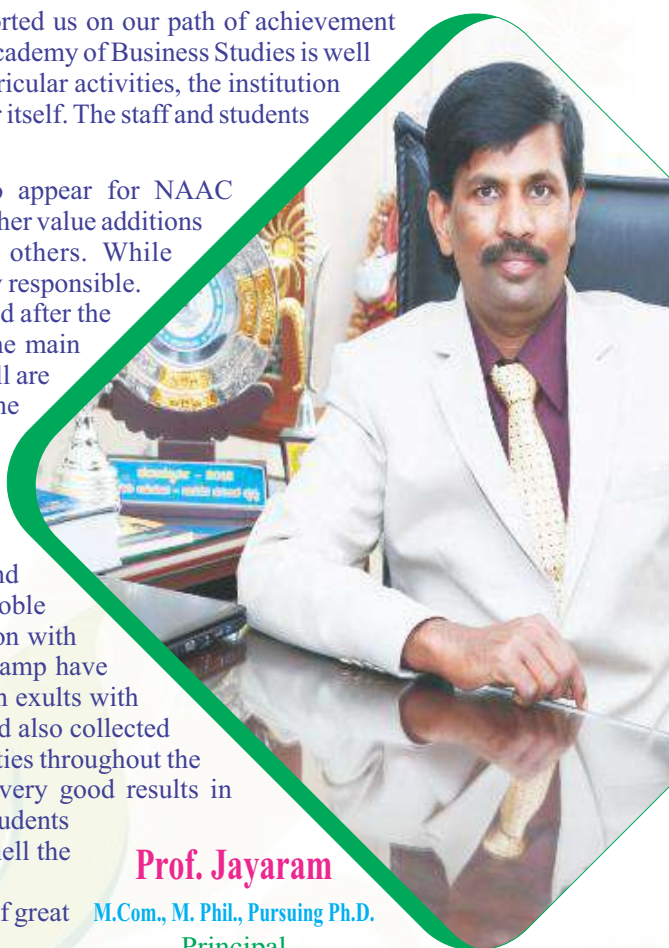

PRINCIPAL'S DESK

”, I acknowledge the selfless efforts of every individual who have supported us on our path of achievement towards success. Revelling in its fourteenth year of success, Seshadripuram Academy of Business Studies is well known in its vicinity. With its keen emphasis on both curricular and extra-curricular activities, the institution under the umbrella of Seshadripuram Educational Trust, has created a niche for itself. The staff and students have persevered for this bastion to enjoy its accolades today.

As a responsible Higher Educational Institution, SABS is all set to appear for NAAC accreditation. The courses of B. Com, BCA and BBA are supplemented with other value additions like CA/CPT course, Tally Course, Aviation Course, SAP and many others. While strengthening our students academically, we also intend to make them socially responsible. The institution, now has ASMITHE, a Community Oriented Forum, christened after the two lady founders of the Trust, Smt. Anandamma and Smt. Seethamma– the main focus of which is the betterment of the community. Various activities of the cell are carried through the forum, for the betterment of the community. In addition to the other activities of various committees in the college, Asmithe has rooted itself for a noble cause.

With the notion of 'service to mankind is service to God', SABS has adopted a Government School at Sulikere. The College took the initiative of constructing an additional rest room for the girls of this school. The staff and students of the college have made a generous contribution to support this noble endeavour. The institution has also adopted a few other schools in association with various NGOs. Breast Cancer Awareness, Free eye check-up, e awareness camp have been some of the other programmes conducted in the locality. The institution exults with happiness in proclaiming to have conducted awareness on blood donation and also collected blood in the Blood Donation Camp organised by the NSS. With various activities throughout the year, academics has never taken a back seat. Our students have secured very good results in Bangalore University exams, securing 100% marks in various subjects. Our students have also won national and international awards in various sports. In a nut shell the institution spares no efforts to make our students socially responsible citizens.

As Napoleon Hill rightly quotes, “Great achievement is usually born of great sacrifice, and is never the result of selfishness

Prof. Jayaram

M.Com., M. Phil., Pursuing Ph.D.
Principal

Internal Quality Assurance Cell (IQAC)

Quality is the buzz word today, for any Higher Education Institution to compete globally. The institution being in its process of applying for NAAC has an Internal Quality Assurance Cell (IQAC) that constantly strives towards maintaining quality in every activity carried out at the institution.

Since quality enhancement is a continuous process, the IQAC is a part of the institution's system and work towards realization of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institution.

The IQAC plays an importantly implicit role in all the activities of the institution, be it in administration or academics. The IQAC mandates innovative methods to be implemented in teaching to equip our students to become globally competent. Innovative methods such as experiential learning , peer learning, collaborative learning are adopted in teaching methodology to support participative learning strategies for students. It also promotes research culture among students with an equal emphasis on other co-curricular activities. The IQAC ensures that the campus is student friendly, and spares no efforts to promote quality consciousness among students. It strives to create a memorable journey for the students through their stay at the campus, extending support to students to bring out the best in them.

In all the IQAC ensures sustenance of quality

Sri B.A. Ananthram
Chairman, Governing Council

Board of Management

Seshadripuram Educational Trust, a public charitable trust, was established in the year 1980 by Seshadripuram Educational Association. The parents body Seshadripuram Educational Association was registered in pre-independent India in the year 1944. In 1930, the Seshadripuram group of lady educational enthusiasts, Smt. Anandamma and Smt. Seethamma who started a primary School with about 20 children in the existing Campus of Seshadripuram in just two Mangalore tiled rooms.

The institution has grown to its present status with the help of many philanthropists and educational enthusiasts. Today the total student strength of the institution has grown to a mammoth 20,000. The trust runs educational institutions from kindergarten to PhD courses ably supported by nearly 1000+ employees. Today a child entering institution’s nursery school can complete and proudly obtain a degree in B.A., BCA, B.Sc, B.Com., BBA, M.Com, LLB. MBA, and M.A. in English or Kannada with a strong foundation to face the challenges of their career.

Though the institution is well known for its contribution in general education the Trust’s special emphasis lies on education in commerce. The Pre-University Colleges of SET are reputed for high quality of education. The institution is proud that nearly 800 students graduating from Pre-University Courses join engineering and about 80 join medical course each year. The motto of the Trust has all along been “the largest good of the largest numbers”.

Seshadripuram Educational Trust today is rated to be among the best educational institutions in India.

Presidency College (Autonomous) Chennai

Library and Information Centre

Unique Features of Library and Information Centre

- * A Book Kit comprising of the subject text books written by well known authors is issued to the B.Com.,B.B.A. and B.C.A. students by the Library and Information Centre of our college.
- * Separate Book rack is maintained for the Schedule Caste and Schedule Tribe Students from which they can borrow 5 to 6 books without due date.
- * Maximum library users from both students and staff are awarded.

We have

- * Well equipped standard Reference Books and Journals.
- * Wide range of resource material housing over 9477 Books in the Library.
- * EASY LIB package which is an integrated multi user Library Package consisting of modules on Acquisition, Cataloguing, Circulation, Article indexing and OPAC through which all in housing Library operations are done.
- * Well equipped Library with Internet and Wi-Fi benefit for Students and Staff.
- * Wide range of general collections, Encyclopedia, CSR Books for Banking Exams, PGCET, GMAT, CAT and NET preparation materials etc.

Student Welfare Committee

- * Student Welfare Committee strives to support students towards academic excellence
- * Various Guest lectures are organised to bridge the gap between Industry - Academic expectations and the syllabus.
 - * Industrialist, CA CS professionals are made to address the students.
- * Activities like group discussion, mock interviews are organised by experts in various fields.

FEEDBACK FROM STUDENTS

Our College 'SABS'' has a very good campus and gives a good environment to study. B.C.A Department as well as other Departments conduct various seminars which help us to learn about many new topics and gain knowledge. The faculties of B.C.A Department teach us well and guide us in future studies also. I feel very happy and privileged to study in this college.

Bhavya.V – 6th sem BCA

Our college is a wonderful place to learn and grow. B.C.A Department faculties are very much student friendly and all our doubts are clarified then and there. I enjoy all the classes of my Degree. Informative guidelines are provided by the faculties and I am thankful to the faculties of B.C.A department and to all other faculties. I am proud to say that I am a student of SABS.

SanjayR.G – 6th sem BCA

I am Shashank, I would like to thank the placement co-ordinator and all the faculty members for helping me to get the job. I would also like to thank the placement team who continuously supported me in getting placement and finally I have placed in 'Northern Trust' as a financial analyst.

Since first year of our degree, we had been trained up by the value added courses; this helped me a lot in getting job as well as learning soft skills. The activities conducted by placement cell like mock interview, group discussion, presentation skills, etc., made me to face interview with confidence and no fear.

- **Shashank .N - 6th sem B.Com**

Sabs is not only an alma matter, but an institution which has imbibed value, ethics, traditions and culture. I have not only gained academic excellence but also have got various platforms and practical exposure through the value added classes, co-curricular and cultural activities, guest lectures and conferences, the various forums and cells. The teaching faculty have always guided me and helped in my overall development I have always been encouraged and appreciated all these have kept my spirit up to perform better. I am very thankful for everything that may have bestowed upon me.

- **Apoorva . N - 6th sem B .Com**

Seshadripuram academy of business studies always aims at students welfare and excel. My college strive day and night to empower its pupil's to become best in the society. Our college has provided each and every support for the holistic development of the students. The library had filled with knowledgeable books, we have the best library with the reference books, competitive exam books, novels of great authors etc., We even have many forums which fill the graduate attributes in us, all these forums make the students to develop in the various area. Apart from these even we have strong sports activities very good support and encouragement for the representation of national and international games.

- **Rohini .S.S - 6th sem B.Com**

I certainly recommend all the degree aspirants to join the Seshadripuram academy of business studies for the degree course, excellent teachers, friendly environment, very supportive faculties, knowledgeable books in the library etc., major learning that SABS provides here is “leadership” college provides ample opportunity to build leadership qualities among students by give the event to organise with we learn here the challenges in managing the people, resource, organisation, etc.,

- **Arundathi N.G Kowshik - 6th sem B.Com**

The mentor counselling for students conducted in the college is very useful where an individual attention given for the problems of students, be it is academic or another problem. Mentors give their suggestions for the improvement and ask the requirements which improve the knowledge more efficiently. SABS is not only stuary based institution but also motivates students to involve in social works by conducting various workshops, visiting orphanage, schools etc...,

- **Kusuma Rani - 6th sem BBA**
